MILANO - ITALY
DECEMBER 11th - 13th, 2024

Chairmen
Roberto Chiesa, Germano Melissano

Ospedale San Raffaele, Milano
Università Vita-Salute San Raffaele, Milano

www.aorticsurgery.it

Don't miss

- Cutting-edge topics. Explore new developments in clinical practice and relevant research: access the latest information on aortic, peripheral, carotid and venous disease
- World-class speakers to discuss recent achievements in vascular and endovascular surgery
- Very intense educational program: 25 scientific sessions, over 250 presentations, 25 keynote lectures, 25 edited video cases, 15 satellite events, 2 e-Poster sessions
- The opportunity to share best practice and collaborate on new ideas with colleagues from around the world
- Innovations from the industries as well as novel treatment approaches
- E-poster sessions to divulge your results in the setting of an international congress

Hands-on workshops

- Physician modified endovascular devices
- Turning REVAR into an elective EVAR
- Open AAA repair
- Practical skills for endovascular treatment of PAD
- Foam sclerotherapy: from aesthetic to functional disease
- Peripheral revascularization
- Carotid endarterectomy
- Carotid duplex ultrasound
- Venous duplex ultrasound

Workshops

- How to overcome gender biases in vascular surgery
- How to write a paper... that gets published
- Remove clot, restore flow
- Mechanochemical ablation for superficial venous insufficiency
- Deep venous stenting
- ESVS Guidelines
- Clinical trials organization
